## DETAILED ACTION

### *Claim Rejections - 35 USC § 102*

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-18 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Ebner et al. (5,384,620).

With respect to Claims 1,3-4,8-10,12-13,17, Ebner teaches the first, second and third selecting steps where the first, second and third paper sources and page ranges are different in column 5, lines 35-42 and the transmitting step in figure 3B. With respect to Claims 2,15, Ebner teaches the receiving and generating steps in figure 3B and 3D and his claim 1. With respect to Claim 5, Ebner teaches that different paper sources(ranges) may be printed with different ink(toner) colors in figure 3C @ 96 or 102 and column 3, lines 20-25. With respect to Claim 6, Ebner teaches the simplex or duplex modes in figure 3A @ 68 and column 3, lines 23-25. With respect to Claims 7,14,16,18, note the rejection of Claim 1 and the displaying step for a user 22 or 24 in figure 1 and column 4, lines 60-62. With respect to Claim 11, Ebner teaches sending the various paper sources and page ranges in a single print request in his claim 15.

3. The Examiner notes that Applicant has petitioned the Honorable Commissioner under 37 C.F.R. 1.144 to reconsider the final restriction requirement imposed by the Examiner in the Office Action mailed 8-5-03.

***Response to Arguments***

4. Applicant's arguments with respect to claims 1-18 have been considered but are moot in view of the new ground(s) of rejection.

***Conclusion***

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
